**Expedited shipping available**

For an additional fee, your order will be shipped by an expedited service offered in your area. This option must be chosen when you make the order, and it cannot be applied after an order is already processed.

**Additional instructions**

If you elect to have this and all future orders automatically charged to your credit card (by checking the box on the front or enrolling by phone), bear in mind that the automated payment plan feature will apply to all mail orders. Also note that we can only keep one credit card on record.

You may have a balance limit on your plan account. If so, once your unpaid balance exceeds that limit, no additional orders will be processed until the balance has been paid.

You can call 1 800 948-8779 anytime to enroll in our automated payment plan, change the credit card on file, check your account balance, or pay by phone using a credit card.

Florida law requires pharmacists to substitute a less expensive, generically equivalent drug for certain brand-name drugs unless you or your physician directs otherwise.

**To all Medicare beneficiaries whose private health plan has elected to be billed primary for Medicare Part B coverage:**

By choosing the Medco mail-order pharmacy to fill your prescription, you are choosing to use the prescription drug coverage provided by your group health plan. Medco will process your prescription under your group health plan coverage, independent of the Medicare program, and no claim will be submitted to Medicare. If you believe that Medicare may also provide coverage and would like Medicare to pay for your prescription, you should go to a Medicare-participating pharmacy in your area. For a list of convenient Medicare-participating pharmacies, please call your local Medicare carrier or 1 800 MEDICARE. If you have any questions about the difference in coverage between your group health plan coverage and Medicare, please call **1 800 899 2587**.
